Student Loan Options:

If you have a very good credit history, we offer low-interest loans from SLM Financial (a Sallie Mae company). These loan programs have up to a 15 year payback period, and the option to borrow additional funds for incidental expenses such as a new computer. Please refer to the "Sallie Mae" loan when you call or email us.

SLM Financial also has a lending program that allows a parent, spouse, good friend, etc. to take out a student loan on behalf of the student. This is great for students with a poor or non-existent credit history.

The final student loan option that we offer is the WOLI in house loan through our Institute. This program requires a down payment of anywhere from \$300-\$595, followed by 24, 36 or 48 low monthly installments. Many people find that this is the program that fits their budget. This program also features an almost 95% approval rate, so it's perfect even for people with impaired credit. Please refer to the "In house loan" when you call or email us.

Admissions Procedure:
